In Re: Bruce A. Liller, et al. vs. Robert Kauffman, et al.  
Case No. : MJG 02-CV-3390 (Consolidated with MJG 02-CV-3391)

Dear Judge Garbis:

On Thursday, August 28, 2003, attorneys Kathleen Bustraan, Donald Speidel and myself mutually agreed to a 90 day extension of all deadlines herein to allow Attorney Speidel the opportunity to conduct Discovery. Attorneys Bustraan and Phillips would also be afforded the opportunity to include the necessary reports with their respective Rule 26(a) disclosures, as the Plaintiffs had missed an appointment with experts. After reviewing Attorney Bustraan's letter dated October 1, 2003 to Your Honor, I noticed that Plaintiffs 26(a) extension deadline was not included among the many others. Therefore, please add the following to the October 2, 2003 Order:

October 16, 2003 – Plaintiffs Rule 6(a)(2) disclosures regarding Experts.

Thank you for your time and attention to this matter. Should you have any questions, please do not hesitate to contact my office immediately.

Sincerely,

Arnold F. Phillips  
Cc: Donald L. Speidel  
Kathleen M. Bustraan
